Notes

Cross country riding

This a branch tetrathlon, designed to encourage newcomers to the sport. Please note that the cross country course heights for Juniors and Minimus are 10cm lower than the maximum recommended heights in the PC tetrathlon rule book. The XC will not be timed.

Please read the PC tetrathlon rule book which is available online at www.pcuk.org to familiarise yourself with the scoring and the rules. A gate and slip rail will be incorporated into the cross country course. Make sure you have practised doing both! A mounting block will be available at each.

Swimming

Please be sure your child can swim a full length of a 25 metre pool. Any child who cannot safely do this will be asked to leave the pool.

Shooting

Please familiarise yourself with the shooting rules in PC tetrathlon rule book. In particular the new rule for this year that all competitors shooting at 7 metres must wear protective eye wear. Guns may only be carried by those over 18 or with the direct supervision of someone over 21. Guns must not be left unattended and must not be removed from their boxes except on the instructions of the steward or for gun check. Air cylinders must not be brought in to the leisure centre.

Please also read "The law as it relates to air weapons" section of the tetrathlon rule book. Guns are serious and a fire arms conviction is serious and stays on your records.

Running

Runners will start at 1 minute intervals. The course is on grass and is reasonably flat.

Times

Will be emailed to the contact email provided on the entry approximately 5 days before the competition. They will also be available on the CHSPC website.
